

Medical Laboratory Assistant

Copeman Healthcare is a thought leader in the delivery of primary healthcare and prevention services. We are a private company that delivers expert teams of medical professionals in a beautiful and “unhurried” environment.

We are looking for full time and part time certified medical laboratory assistants with exceptional phlebotomy skills who understand the importance of adhering to “gold standard” procedures and protocols in the laboratory. In addition to blood/urine collection, this position involves being proficient with other tests and diagnostics including resting ECGs, spirometry, tonometry, audiograms and vision testing. We will provide supplemental training where required.

In this role you would be one of the initial points of contact for our patients, an important voice and face for the organization, and a valued member of the clinical care team. You should bring:

- expert command of the English language
- excellent communication and interpersonal skills
- a commitment to customer service, professionalism and business etiquette
- a distinct attention to detail and flexibility to handle diverse tasks
- a sincere passion for health and wellness
- strong computer and administrative skills
- strong team values

If you think you are the unique person we are looking for, please email your resume to slall@copemanhealthcare.com and put Medical Laboratory Assistant in the subject line.

Compensation: \$40,000 - \$50,000 commensurate with experience & qualifications
