Kin Cheng, formerly of Vancouver General Hospital, is now retired!

Kin, one of our most popular Telehealth presenters ever, will deliver his final “going away” gift to BCSLS members province wide on May 30th.

Kin’s presentations are the much talked about **“Interesting Cases in Hematology”**.

New cases will be presented and exciting new learning tools will be introduced at this 90 minute presentation.

Season 1 and 2 were two of our most successful and popular Telehealth presentations. Don’t miss Season 3.

This will also be an opportunity for all who have known Kin to wish him “all the best” as he enters a well-deserved retirement. Come and join the party!
