

General Duty Technologist Nanaimo, Vancouver Island

Your life's work... ...in our piece of Paradise

Imagine living and working in such an amazing environment.

Vancouver Island Health Authority is one of BC's six health authorities and provides hospital, community, home care, environmental and public health services including education and prevention services to Vancouver Island's 750,000 residents. We offer excellent work environments and a competitive package of employer-paid benefits including coverage for casual employees. **As we continue to grow so does the need for more health care staff in our area hospitals.**

About Nanaimo

Nanaimo is one of the most desirable, affordable and liveable cities on Vancouver Island and is just 114 km from Victoria. A stunning seaside community with the "best climate in Canada", Nanaimo is brimming with culture, surrounded by nature, and filled with color, creativity, character and spunk. Vancouver Island University (formerly Malaspina University-College) is located here and offers a full range of full-time and continuing education courses.

Nanaimo has a population of approximately 85,000 with easy access to highways, and ferries to Vancouver. The Nanaimo Airport is conveniently located just 18kms south of Nanaimo. Air Canada Jazz has 5 regular flights each day plus BC West Air offers flights between Nanaimo, Boundary Bay, Abbotsford & Victoria.
