

BC Society of **Laboratory Science** Presents

## BCSLS Telehealth Video Broadcast

With Dr. Tomblin and Tara Bonham

### “Parasite Puzzles: Gut-Wrenching Stories, Wisdom from the Bench”

**Thursday Nov 17, 2011**

This talk will review selected enteric parasites with case histories and the related diagnostic challenges

Dr Joan Tomblin is a Medical Microbiologist working at Royal Columbian Hospital and at BC Biomedical Laboratories where she is Clinical Director of Parasitology. Dr Tomblin, a native of Vancouver, did her medical training at McGill University and her fellowship in Medical Microbiology at UBC. She is a member of the CMPT Parasitology Committee and is currently president of the BC Association of Medical Microbiologists.

Tara has been with BC Biomedical for most of her career as a Laboratory Technologist. Starting in the Microbiology department, she moved to Parasitology where she has stayed for 24 years. Tara became the supervisor of the Parasitology Department 15 years ago and has participated on the CMPT's Parasitology Committee for the past five years.
